**AMENDED STIPULATION AND ORDER
FOR CONTINUANCE OF CASE
MANAGEMENT CONFERENCE**

STIPULATION

Pursuant to this Court's Local Rules 6.2 and 7.12, this stipulation for continuance of the Case Management Conference is made by and between plaintiffs The United States Life Insurance Company and American General Assurance Company on the one hand, and defendants Ronald H. Jones (sued herein as Ron Jones) and Pacific A&M on the other, by and through their counsel of record and is based on the following facts:

1. On September 8, 2006, counsel for the parties submitted a request to continue the Case Management Conference then scheduled for September 15, 2006, to give the parties additional time to exchange documents and to see if they could settle the matter on their own. The Court granted the request and continued the Case Management Conference until November 3, 2006.

2. Since that time, the parties have continued their discussions. At present, counsel for Plaintiffs needs an additional two to four weeks to collect information from Plaintiffs' representatives. Thereafter, Plaintiffs anticipate being able to respond to Defendants inquiries regarding two specific aspects of the underlying issues relating to an amendment to the underlying contract and an out of state compliance issue.

IT IS HEREBY STIPULATED BY AND THROUGH THE PARTIES' COUNSEL OF RECORD THAT:

The Case Management Conference currently set for November 3, 2006, shall be continued to December 8, 2006.

SO STIPULATED.

Dated: November 1, 2006
